## Business Resource Form Information Sheet

### Background Information

In partnership with the Stettler Regional Emergency Management Agency, the Stettler Regional Board of Trade & Community Development will be collecting emergency information from businesses in regard to the current COVID-19 pandemic as well as for future emergencies. All information collected will be kept confidential.

This information is important to:

1. Provide assistance in emergency planning and situations that may arise
2. Provide immediate updates
3. Assess the economic situation
4. Prepare for recovery
