|  | Gravel Road Dust Reduction Agreement | | |
| | Classification Council | Category Public Works | Form No. 2003 |
| | Reference Policy PW 2.2 – Gravel Road Dust Reduction | | |

Applicant Information:

Last Name: _____ First Name: _____

Mailing Address: _____

Phone #: _____ OR _____

I am/We are requesting the County supply the product and workmanship for application of the following dust suppressant to the road front at:

| <i>Legal Land Description</i> | <i>Rural Address</i> | <i>Roll #:</i> |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------|----------------|
| Choice: <input type="checkbox"/> Calcium <input type="checkbox"/> Clean Track <input type="checkbox"/> Light Oil Length (meters): _____ | | |

Choice: **Calcium** **Clean Track** **Light Oil** Length (meters): _____

The County will determine the firm cost for supply & application at this location and communicate it to the Applicant as noted above. Upon receiving the cost, the Applicant will make full payment prior to any work being commenced.

The applicant, upon signing this agreement, agrees to the following terms/conditions:

1. The applicant hereby releases the County from all damages, claims, or injury whatsoever resulting from the use of the above dust reduction substances or applications
2. The County will arrange for a minimum of a 200 meter length of dust reduction to the road in front of residential, farm buildings, and industrial/commercial sites at a cost to be determined by the County.
3. The applicant's fee cost must be prepaid before the dust control is applied.
4. The County may apply additional lengths of dust reduction products, at the request of an Applicant, with the full cost borne by the Applicant.
5. The County reserves the right to rework or remove the dust control applications at its own discretion.
6. Landowners and/or Applicants are not permitted to apply any form of dust reduction to the County roads.
7. Existing oil dust controls will not be repaired and may be removed at the discretion of the County.
